

31st of March 2011

BioValley Meet&Match: Antibody Technologies

- 10:00** **Reception** *Coffee and Cake*
- 10:30** Word of welcome (BOYE Mona; Trinational Matchmaker, **BioValley**)
- 10:45** *"An intradermal port for reliable injection and infusion of high and low viscosity antibody formulations"*
Dipl.-Ing. Michael Vosseler, **HSG-IMIT**; Germany
- 11:00** *"Better antibodies for better therapies of human diseases"*
Dr. Ulf Grawunder, CEO, **4-Antibodies**; Switzerland
- 11:15** *"Generation and characterization of intrasolubodies"*
Prof. Dr. Weiss, **IREBS University of Strasbourg**; France
- 11:30** *"Genetic Immunisation in antibody development at Genovac: a niche technology to generate functional antibodies against cell surface receptors"*
Dr John Thompson, Managing Director, **Genovac**; Germany
- 11:45** *"Tailoring monoclonal antibodies for radionuclide delivery"*
Dr. Eliane Fischer, **Center for Radiopharmaceutical Sciences ETH-PSI-USZ**; Switzerland
- 12:00** **Postersession / Networking** *Lunch Pasta-Bufferet Italianita*
- 13:15** *"Possibilities to co finance collaborative and transnational R&D projects : FP, EUROSTARS and others....."*
Mr. BERNARDINI, Agent for European Research Projects, **ARI**; France
- 13:30** *"Peptidarrays » (Title not defined yet)"*
Dr. Breitling, **KIT Karlsruhe**, Germany
- 13:45** *"The monoclonal antibody pillar of Transgene"*
Dr. Jean Yves Bonnefoy, CEO, **Transgene**; France
- 14:00** *"Analysis of structures of IgE and Antigen complexes (titel not defined yet)"*
Dr. Zora Housley-Markovic, **University of Basel**; Switzerland
- 14:15** *"Molecular allergy diagnosis - a new era in allergology"*
Dr. Johannes Huss-Marp, **Phadia**; Germany
- 14:30** ? *"Production and purification technology to obtain highly specific antibodies against Staphylococcus (Participation not sure yet)"*
Prof. Prevost, **University of Strasbourg, EA-4438**; France?
- 14:45** *"New concepts for the development of biopharmaceutical compounds "*
Dr. Andreas Herrmann, CEO, **Celonic**; Switzerland
- 15:00 – 16:00** **Postersession / Networking** *Coffee and Cake*

A Besuchereingang/Standortadresse

Viaduktstrasse 33, 4002 Basel
 Tramhaltestelle Markthalle
 Telefon +41-61-288-40 80

B Anlieferung/Parking-Zufahrt

Via Erdbeergraben/Binningerstrasse 41

Parkplatz nur für den Organisator/Referent nach Vorbestellung.
