

PRECISEU Best Practice Recognition 2025

Type:	Funding programme
Submission deadline:	16-May-2025
Funded by:	PRECISEU co-funded by the EU
Reach:	European Union

PRECISEU is excited to announce the **Best Practice Recognition 2025**, an event to accelerate outstanding innovation in healthcare data utilisation. Set to culminate in a recognition ceremony during the **General Assembly in Vilnius this September**, the recognition aims to showcase transformative practices that advance personalised healthcare across Europe.

The recognitions feature four categories:

- **IMPACT:** for academic-business partnerships driving significant healthcare improvements
- **INNOVATION:** for SMEs and startups revolutionising patient care with advanced therapy medicinal products (ATMPs)
- **CULTURE:** for organizations that have developed best patient involvement and public engagement
- **EXCELLENCE:** for organisations leading in health data accessibility, safety, and inclusivity.

Applications are now open, with winners announced in **September**.

Eligibility extends to public and private research-performing organisations from EU Member States or Horizon Europe-associated countries. The winners will receive Europe-wide recognition, mentoring opportunities, and participation in key conferences.

If you're pushing boundaries in personalised and data-driven ATMP based solutions in healthcare, this is your moment!

Let's shape the future of personalised health care together!
