Further information will follow.

Over the last 30 years, BIO-Europe, has become Europe's flagship partnering event. Its international reach makes it a one-of-a-kind offering, with attendees from all parts of the biotechnology value chain gathering to efficiently identify, engage and form strategic relationships that drive their businesses successfully forward.

BIO-Europe is more than a conference—it's a catalyst for innovation, collaboration, and growth in life sciences

Whether you're a biotech startup, an established pharma company, an investor, or a service provider, BIO-Europe provides the platform to accelerate your business goals.
