With the highest attending rate of academics, TTOs and research institutions, BioFIT is the place where academia-industry collaborations get started. BioFIT has taken on a whole new dimension becoming the meeting point in Europe for tech transfer and for sourcing early-stage innovations stemming from public research institutions, academic spin-offs and emerging biotech companies. Together with big pharma, biotech and diagnostic companies, BioFIT operates as a platform to build partnerships for all public and private actors. BioFIT is also the European marketplace for pre-seed, seed and Series A investment in Life Sciences.

With more than 1,000 international actors from 35+ countries, such as big pharma, emerging and small biotech, diagnostic companies, pre-seed / seed / Series A investors, as well as professionals from tech transfer, academia and research institutions, BioFIT is the leading partnering event in Europe for technology transfer, academia-industry collaborations and early-stage innovation deals in the field of Life Sciences. BioFIT is also the European marketplace for pre-seed, seed and Series A investment rounds in Life Sciences.

BioFIT will be held in-person in Strasbourg, France, on Tuesday, November 29th and Wednesday, November 30th, 2022.

BioFIT will also be held 100% online, on Wednesday, December 7th and Thursday, December 8th, 2022, on the digital platform Vimeet.
