Biotechgate Digital Partnering is designed to support the business development & licensing of Pharma, Biotech, Medtech and Digital Health companies. Join five days of virtual partnering and establish new global connections thanks to pre-arranged one-on-one Zoom meetings in our business forum.

Biotechgate Digital Partnering is focusing on companies developing drugs, diagnostics and medical devices. The main objective of the event is to provide a platform for business development in the field of licensing and collaboration.

The centerpiece of this conference series are the one-on-one partnering meetings, which make business development extremely efficient. Thanks to participants from all over the world, you can establish contact with the right people and have the virtual meetings arranged by the system.
