Biotechgate Digital Partnering is focusing on companies developing drugs, diagnostics and medical devices. The main objective of the event is to provide a platform for business development in the field of licensing and collaboration.

Below you find an overview of **some of the over 3,200 delegates representing more than 2,700 participating companies** that joined the last four Biotechgate Digital Partnering events. Representatives of **14 out of the top 20 big pharma** companies were attending, 45% of the participants were Biotech companies. We had participants from over 60 countries with a majority being business development (40%) or CEOs (30%). There were over 4,800 meetings scheduled.

Biotechgate Digital Partnering offers you a complete conference program as a virtual experience, including virtual one-on-one meetings, Pop-up Coffee sessions as well as workshops and presentations.

Digital Partnering

The scheduling of individual one-on-one meetings is provided by our premium partnering and matchmaking platform HelloPartnering.

- 5 days of Digital Partnering: Contact and arrange meetings with representatives of leading companies active in the Biotech and Pharma industry.
- Attend your pre-scheduled meetings via Zoom video calls.
- Privacy is guaranteed: Every virtual meeting takes place in its own, secure virtual room.

Free registration

To support you in the COVID-19 crisis, we are making this partnering event available for free to companies interested in participating. As a member company of any of our Biotechgate partners, you get free access to the premium version of Biotechgate Digital Partnering. If you are not a member of any of our partners, you still get free access with some limitations and a possibility to upgrade.
