Biotechgate Digital Partnering is designed to support the business development & licensing of Pharma, Biotech, Medtech and Digital Health companies. Join five days of virtual partnering and establish new global connections thanks to pre-arranged one-on-one Zoom meetings in our business forum.

Attendees

Biotechgate Digital Partnering is focusing on companies developing drugs, diagnostics and medical devices. The main objective of the event is to provide a platform for business development in the field of licensing and collaboration.

Below you find an overview of some of the over 7,500 delegates representing more than 6,500 participating companies that joined one or several editions of the past Biotechgate Digital Partnering events. Representatives of 14 out of the top 20 big pharma companies were attending, 45% of the participants were Biotech companies. We had participants from over 60 countries with a majority being business development (40%) or CEOs (30%). There were over 10,000 meetings scheduled.
