Responding to the need to connect + collaborate in today's pharmaceutical industry, CPhI is excited to present "CPhI: Festival of Pharma", a new virtual extravaganza for the global pharma community.

The "CPhI: Festival of Pharma" will combine the world's leading pharma companies, incredible speakers and unparalleled networking opportunities, all of it under the most advanced digital ecosystem.

Join over 20.000 attendees from over 700 top pharma companies at a new virtual event which will shape the future of the pharmaceutical industry by:

- **Enabling** sourcing new products and services through our interactive digital marketplace
- **Connecting** new and existing partners from the global pharma community through our enhanced matchmaking platform
- **Bringing together** the global industry, from Big Pharma to SMEs and Start-Ups, all in one place
- **Learning** from top-level speakers through our high-level content programme
