## Save-the-Date – 25.-27. April 2023

We are pleased to finally welcome you back "live" to the Berlin exhibition halls for DMEA 2023 from 25.-27. April 2023. Learn more about all facets of digital healthcare on site!

## This is DMEA

With around 11,000 trade visitors and 600 exhibitors from 27 countries each year, DMEA is Europe's leading event for the digitization of healthcare.

In a program with various modules of congress, training and networking, you can learn more about current developments and products, educate yourself and make ideal contacts in the industry. Look forward to

- Inspiring keynotes
- practical presentations and discussion panels by and with experts from politics, self-government, business and science
- A comprehensive exhibition where manufacturers and suppliers present their products and solutions
- Excursions to hospitals and research institutions
- An extensive career and junior staff program
