Insights Into the Diversity of Digital Health

The DMEA is one of Europe's most important events for digital health. **From 09 to 11 April 2024** experts from the digital health industry meet in Berlin. In addition to a comprehensive market overview, DMEA offers all players a wide range of opportunities for intensive exchange, targeted networking and effective customer acquisition.

"With more than 700 exhibitors and over 16,000 visitors, DMEA 2023 showcased impressive numbers, underscoring that Digital Health is capturing widespread attention. If you're looking to seize the opportunity to present yourself in 2024 alongside 700 national and international Digital Health exhibitors, country representatives, associations, numerous startups, and entrepreneurs to engage with Digital Health stakeholders and the next generation, this is your chance!"

Present your company solutions on the DMEA stage. In 2024 we offer DMEA exhibiting companies various opportunities to

present their products and solutions to a wider audience.

What moves health IT today and tomorrow? DMEA 2024 provides answers to this question with its extensive program of lectures, discussions and workshops. Experts from politics, science and practice awaited visitors various stages and hubs.
