Welcome to the German Biotechnology Days (DBT), 2024 will take place on April 16th and 17th in Berlin. The event is regarded a national forum for the German biotechnology industry. The DBT brings together entrepreneurs with scientists and partners from politics, funding institutions and administration. The two-day program will highlight the diverse fields of application and potential of biotechnology, from health research to the bioeconomy.

The German Biotechnology Days are jointly organised by BIO Deutschland and the Council of German BioRegions.
