The HTID® event provides a platform for promising European life sciences companies to accelerate their growth and bring innovation to patients. The 4th edition, organized by HealthTech For Care, will take place on October 13 and 14 2022 on a hybrid format, combining in-person presentations, panels and one-on-one meetings in Paris with a seamless virtual platform for those unable to travel.

HTID is sponsored by international pharmaceutical companies, other corporates, investors, and many international thought leaders and KOLs.

What you will get during HTID #4?

Private meetings

Meet investors & Set up partnerships with innovative companies across Europe.

Conferences & Thematics panels

Learn on key topics during panels led by international experts.

Network event

Gather within the European innovative healthcare community.

Hybrid event

Bring participants from around the world online and in-person.
