On 3 April 2025 in Rotterdam, the 12th edition of the leading conference for key players in Health & Life Sciences, Innovation for Health will take place! The theme for this edition will be Joining Forces!

At Innovation for Health 2025, you get to share insights, catch up on the latest trends, establish new or build upon valuable connections and collaborations, and much more. With our energizing programme, we bring top-notch speakers to the stage, display high-impact innovations, highlight best practices, and demonstrate inspiring developments in healthcare. Inspiring, interacting, and networking are at the heart of the conference. Moreover, the conference brings over 800 innovators, entrepreneurs, scientists, policy makers, investors, thought leaders, experts and other key players from Health & Life Sciences together to shape the future of healthcare together.

Who should attend?

- Innovators in health & life sciences
- Entrepreneurs and executives of biotech, healthtec and pharma companies
- Scientists, CSO's, CMO's and medical doctors
- Tech transfer managers
- Investors, both formal and informal
- CBO and Business Developers
- Innovation Managers, Advisors and Experts
- Policy makers and policy advisors
- Patient representatives
- Key decision makers at public and private healthcare organisations
- Representatives of health insurance organisations and health funds
- Sector representatives
- Designers and artists working on healthcare solutions
- PhD students and post-docs
- Journalists and media representatives covering healthcare innovations
