The bioRN Annual Conference becomes life – the biomedical convention

Be part of the bioRN´s highlight event of the year – where expertise from basic, applied and clinical research will be shared and new perspectives and visions will be introduced. Renowned speakers present their latest results and are at the heart of the conference program. In addition, young scientists present their cutting edge research in the „Young Scientists' Pitch Competition". The conference will be complemented by an exhibition area where companies and institutions present their latest technologies and products.

life – the biomedical convention is taking place at the Heidelberg Congress Center (HCC), located close to Heidelberg Main Railway Station. As an exhibitor you will be able to showcase your company or institution to 500 attendees from or connected to the bioRN life science ecosystem.
