About

Life Sciences Baltics is the leading event in the Baltic region, connecting global life sciences professionals. This event provides unique opportunities for project initiation, lead generation, and strategic partnerships through an extensive exhibitor showcase, insightful conferences, a dedicated partnering area, diverse networking formats, and competitions, including a startup pitch challenge.

Baltic countries – your partners in life sciences

The Baltic countries nurture the next generation of founders and talents bringing future solutions in biotechnology, pharma and medtech fields. This event creates a unique opportunity to meet and connect with them, all in one place. At the ongoing pivotal industry transition tipping point, the Baltic countries stand out as a destination where you get ahead of the game and power up your business with relevant interactions. Prepare for 2 full days to connect with the leading decision makers from the Baltics!
