Connecting life science executives, pharma and investors

The 9th LSX World Congress gathers the founders and CEOs of innovative start-ups through to healthcare giants, and everyone in between. It represents the breadth and depth of the cutting-edge research and technology driving the advances in the industry right now and in the near future.

It is an industry-leading gathering with qualified 1:1 partnering at its core, connecting the biotech, healthtech and medtech industry c-suite with the sector's most active pharma, investors and health technology BD&L teams, R&D leaders, KOLs and top tier service companies who are driving the sector forward.

LSX is committed to keeping everyone attending the Congress as safe as possible.
