MedFIT will take place in **Strasbourg, France**, on October 10<sup>th</sup> & 11<sup>th</sup>, 2023 and will continue **online, for digital meetings**, on October 17<sup>th</sup>, 2023.

With 650 international participants from 30+ countries, MedFIT is your opportunity to connect with international key innovators in the MedTech, Diagnostic and Digital Health sectors. As the leading European partnering event, MedFIT provides

the ideal environment to help industry players to source early-stage assets, to facilitate the emergence of collaborative projects between big players, public research institutions, start-ups and SMEs, to increase licensing opportunities, to obtain funding and to facilitate market access.

## Pitch sessions

The MedFIT pitch sessions offer the opportunity to detect the most innovative and promising start-ups, R&D projects and licensing opportunities in order to foster partnerships and business development opportunities in the MedTech, Diagnostic and Digital Health fields.

### **Start-Up Slams**

The Start-up Slams are a great opportunity for young companies (and particularly for start-ups seeking to raise a financing round) to showcase their project in front of potential partners and investors. The winner will be awarded as the most innovative start-up in Europe.

### **Collaborative and licensing opportunity presentations**

The Collaborative and Licensing Opportunity Pre- sentations enables TTOs, universities, research insti- tutes and companies to showcase their technologies in front of potential partners, in order to entail a colla- borative project and/or a licensing deal. The winner will be awarded as the most promising technology in Europe.
