MEDICA is the world's largest event for the medical sector. For more than 40 years it has been firmly established on every expert's calendar. There are many reasons why MEDICA is so unique. Firstly, the event is the largest medical trade fair in the world – it attracted several thousand exhibitors from more than 50 countries in the halls. Furthermore, each year, leading individuals from the fields of business, research, and politics grace this top-class event with their presence — naturally alongside tens of thousands of national and international experts and decision-makers from the sector, such as yourself. An extensive exhibition and an ambitious program — which together present the entire spectrum of innovations for outpatient and clinical care — await you in Düsseldorf.

In addition to the professional "MEDICA Forums and Conferences" have become an integral part of the trade fair. Forums and several special shows on varied medical-technological topics are concisely presented in the halls as an attractive complement to the trade fair. E.g. MEDICA CONNECTED HEALTHCARE FORUM with MEDICA App COMPETITION, MEDICA HEALTH IT FORUM,

MEDICA ECON FORUM, MEDICA TECH FORUM and MEDICA LABMED FORUM. The conferences are the German Hospital Conference (the leading communication platform for decision-makers in German hospitals), the MEDICA MEDICINE + SPORTS CONFERENCE and the International Conference on Disaster and Military Medicine (DiMiMED). Another highlight is the MEDICA START-UP PARK where innovative young companies present the trends in the medical technology of the future.

Meet Baden-Württemberg at the Baden-Württemberg joint booth at MEDICA 2022

The medical technology industry will meet again at the world medical-technology trade fair MEDICA in Düsseldorf from November 14th to 17th, 2022. Baden-Württemberg is one of the most important medical technology locations with over 800 companies researching, developing and/or producing in the state. This year, Baden-Württemberg International (BW_i) in cooperation with BIOPRO Baden-Württemberg is once presenting the joint booth from THE LÄND. Visit the Baden-Württemberg joint booth and the around 30 exhibiting companies and start-ups.
