The MedTech Forum is the largest health and medical technology industry conference in Europe and a key event since 2007. Join industry leaders, leading innovators and investors to discuss the future opportunities in the medical technology sector.

This year's edition promises to be an insightful and engaging experience, bringing together key players in the medical technology industry to explore the latest trends, innovations and opportunities.

The #MTF2024 is not just an event! It is also a place to meet industry experts dedicated to the advancement of healthcare, connect with like-minded people, forge new collaborations and contribute to the collective discussion shaping the future of our sector.
