MedTechStartups – Take your opportunity and present your technology to leading MedTech investors and corporate decision-makers.

HTGF, B. Braun Innovation Hub, B. Braun Stiftung and Dräger are organizing the MEDTECH PITCH DAY 2026 on 17 March 2026 in Freiburg, together with local partners BadenCampus and Advant Beiten.

You will get the opportunity to meet an exclusive audience of investors and corporates and, most importantly, experience exciting, groundbreaking pitches from medtech and healthtech start-ups!

Are you a start-up in medtech or healthtech and would like to present your company to leading investors and corporate decision-makers? Take the opportunity and present your technology in front of an exclusive audience!

Applications are open and will be possible until 22 February 2026 – register with your company data and upload your non-confidential pitch deck. The submitted pitch decks will be screened by a jury and start-ups will be notified as soon as possible.
