MedTech Twente: Explore & Connect

Fact-finding trip

Dive into this exclusive fact-finding trip, **MedTech Twente Explore & Connect**, on 5 November as part of MedTech Twente Week 2024. A pivotal event for MedTech partners, industry leaders, and visionaries outside the Netherlands aims to forge a path to a brighter, healthier tomorrow.

This is a custom-designed program for foreign companies and MedTech clusters that share our passion for progress towards a healthier tomorrow. On Tuesday, 5 November, we'll guide you through the heart of MedTech innovation in Twente. Discover our leading innovators, from groundbreaking research and development to state-of-the-art facilities. Get the most out of your visit by adding the TechMed Event to your program, organized by the University of Twente's TechMed Centre.

MedTech Twente is your host of the day, a collaborative platform that links medical technological research and development with businesses, healthcare organizations, and research institutes. This ecosystem is dedicated to driving medical technological innovation further, and we invite you to be a part of it.
