MedtecLIVE is the leading platform for the European medtech industry, providing a central meeting point for suppliers to the medical technology sector, their users and customers.

The three days of MedtecLIVE 2024 will focus on face-to-face dialogue between business partners and colleagues from medical engineering, along with discussions about the latest trends and innovations in medical technology manufacturing, from initial ideas to production.

This announcement is a third-party event and is not organised by BIOPRO Baden-Württemberg GmbH itself. BIOPRO provides this announcement for distribution and information purposes and, despite careful examination of the content reproduced, assumes no liability for the correctness or subsequent changes by the organizers.
