**Make valuable contacts, over drinks, snacks and music, that can be future-oriented!**

### PhD Transition Fellowship

The aim of the PhD Transition Fellowship Program is to address the innovation funding gap between completion of the doctoral thesis and obtaining further seed funding. The three most innovative concepts or prototypes will be provided with a pre-seed award to fund accelerated development of discovery research in the applicants first post-doctoral year.

Gold: 20.000 €

Silver: 15.000 €

Bronze: 10.000 €
