24th European Trade Fair for Rehabilitation, Therapy, Care and Inclusion

From 13 - 15 May 2027, everything will revolve around interaction, innovation and exchange on the barrier-free grounds of

Messe Karlsruhe. Both private and professional visitors from the fields of therapy, medicine, care, rehabilitation and orthopaedic technology will use the trade fair to exchange ideas and learn about the latest technical aids, assistance technologies and mobility aids. In 2025, 400 exhibitors from 16 countries presented the latest trends, therapy products and innovations in the industry in three exhibition halls.

For Visitors:

Find out all about the latest developments in rehabilitation, orthopaedic and medical technology. Learn about innovative products and specialized service offerings that make life easier and more independent for people with disabilities increase their independence.

REHAB offers specialist visitors an overview of the newest trends and innovations, as well as opportunities for continuing vocational education.

People with disabilities and their carers can look forward to REHAB's familiar informal atmosphere and to receiving comprehensive, competent advice from the exhibitors!

For Exhibitors:

As one of the leading trade fairs for rehabilitation, therapy, care and inclusion, REHAB is all about inspiration and showcasing technical innovations and solutions as well as services for improving the quality of life and participation of people with disabilities. Held every two years, it has developed into the most important platform for high-quality mobility aids and children's aids from Germany and across Europe, and has become one of the highlights in the calendar for the sector.

REHAB is dedicated to experiencing, trying out and discussing the latest innovations. Meet your potential customers here at Messe Karlsruhe from 13 to 15 May 2027, and exchange ideas on the latest developments and innovations in the industry with numerous professional and private visitors.
