## The power of international collaboration

Since 2021, the Swiss Biotech Day has grown 40% every year and has become a premier global biotechnology conference for life sciences professionals, fostering international collaboration and impactful partnerships. In 2024 it attracted some 2,500 participants from more than 40 countries, including 17 international delegations.

Join the Swiss Biotech Day to network, exchange ideas and explore advances in R&D, manufacturing, data management, AI and innovative financing. In addition, the embedded Global Village provides international delegations a platform to strengthen

their ties with the Swiss biotech hub to promote cross-border investments, public-private partnerships, R&D collaborations and the exchange of best practices.

### Swiss Biotech Day highlights
