The power of international collaboration

Since 2021, the Swiss Biotech Day has seen remarkable growth every year and has become a premier global biotechnology conference for life sciences professionals, fostering international collaboration and impactful partnerships. In 2025 it attracted more than 3,000 participants from 49 countries, including 25 international delegations. It was by far the biggest and most international edition of the Swiss Biotech Day ever.

Join the Swiss Biotech Day to network, exchange ideas and explore advances in R&D, manufacturing, data management, AI

and innovative financing. In addition, the embedded Global Village provides international delegations a platform to strengthen their ties with the Swiss biotech hub to promote cross-border investments, public-private partnerships, R&D collaborations and the exchange of best practices.
