Swiss Nordic Bio is a high-level partnering and investor conference aimed at connecting healthcare innovations, investor and

industry.

- The conference is the number one platform that gathers life science professionals from Switzerland, Austria and the Nordic countries under one roof.
- The conference is organised by the Nordic countries in cooperation with Swiss and Austrian partners.

Swiss Nordic Bio at a Glance

Swiss Nordic Bio in Zurich is a high-level partnering and investor event where Swiss, Austrian and Nordic biotech and medtech startups, pharmaceutical companies and investors meet. Swiss Nordic Bio carries 20 years of tradition, previously Swiss Scandinavian Bio-Business Seminar, and is organised by the Nordic countries in cooperation with Swiss and Austrian partners.

Focus

The conference has a broad focus within biotech, medtech and pharma (drug development, drug delivery, biomaterials, medical device, diagnostics, contract manufacturing, CRO, etc.) and gathers small, early stage companies as well as global, commercial corporations.

The conference is open for biotech, medtech and pharma companies as well as investors within the life science industry.
