to the event

Connect with international investors, major corporates and healthtech startups from the Upper-Rhine Valley.

Organised by the BadenCampus and its partners from the University of Basel, the Life Science Accelerator Baden-Württemberg and Quest for health, the 'Trinational HealthTech Days ' business event aims to connect innovative startups and the ecosystems from France, Germany and Switzerland to promote international cooperation in the health technology sector (biotech, medtech, digital health).

This announcement is a third-party event and is not organised by BIOPRO Baden-Württemberg GmbH itself. BIOPRO provides this announcement for distribution and information purposes and, despite careful examination of the content reproduced, assumes no liability for the correctness or subsequent changes by the organizers. If you have any questions, please contact the organizer directly.
