World Health Summit 2022:

Together with the World Health Organization (WHO)

World Health Summit and WHO join forces to bring you the world's leading international, inter-sectoral and inclusive global health conference that will set the agenda for a healthier future.

3 Days | 100+ Nations | 400+ Speakers | 6000+ Participants

The World Health Summit strengthens exchange, stimulates innovative solutions to health challenges, fosters global health as a key political issue and promotes the global health debate in the spirit of the UN Sustainable Development Goals: SDG 17 "Partnership for the Goals".

WHS 2022 will focus on "Making the Choice for Health" by reflecting on the most pressing topics, including:

- Investment for Health and Well-Being
- Climate Change and Planetary Health
- Architecture for Pandemic Preparedness
- Digital Transformation for Health
- Food Systems and Health
- Health Systems Resilience and Equity
- Global Health for Peace

Digital participation of the entire World Health Summit program will be available throughout our website with no prior registration needed.
