XR EXPO brings together industry leaders, researchers, and creatives shaping the future of Extended Reality.

The XR EXPO is the B2B exhibition fair for Virtual Reality (VR), Mixed Reality (MR) and Augmented Reality (AR), or in short: eXtended Reality (XR). The focus is on XR technologies and professional applications of VR, MR and AR in industry, architecture, health, trade and crafts. The XR EXPO is characterized by XR industry giants, excellent speakers and showcases from practice. The XR EXPO has set itself the goal of being THE meeting point for industry users, technology providers, content service providers and XR researchers. Our get-togethers offer the perfect opportunity for networking.
