Folgende Informationen sind nur auf Englisch verfügbar:

IMI will hold webinars on IMI₂ – Call 22 & 23 from Monday 15 June to Tuesday 30 June inclusive.

All webinars on the Call topics will feature a presentation by the EFPIA topic coordinator and time for questions and answers. The webinars represent an excellent opportunity to learn more about the Call topics, interact directly with the topic coordinators, and get in touch with potential project partners.

The webinar on IMI's rules and procedures will include presentations of IMI's intellectual property policy and tips on the preparation of proposal submissions. IMI will also hold a dedicated webinar for [small and medium-sized enterprises \(SMEs\)](#). This will cover elements of the different Call topics that may be of particular relevance for SMEs, as well as a presentation of IMI's rules and procedures with a focus on aspects that are most important for SMEs.

The slides presented will be published here, along with recordings of all webinars and lists of

participants who agreed for their details to be published.

Practical points

Registration is free but obligatory via the links given for each webinar. When you register, you will receive an automatic confirmation e-mail with your own personal web link and dial-in number which you should use on the day.

Networking: We encourage networking among webinar participants – during registration, you will be asked if you are willing for IMI to publish your name and contact details on this web page for networking purposes.

We use GoToWebinar for our webinars. You can check your computer is compatible with GoToWebinar [here](#).

All times given are Brussels time (Central European Time, CET).

The draft topic texts can be found on our [Future Topics page](#).
